---

We are confirmed to attend the April 19th ARSG in Silverton (see Peter Butler's email below). I told Peter, rather than formal presentations on collaborative process, this should be more of a round table discussion on what the process will look like.

We should probably have a coordination meeting or conference call prior to the 19th to discuss our common messages and such.

Please let me know your availability for the weeks of April 2, 9 and the 16th before the 19th.

Thanks,

Subject: Next ARSG Meeting

Mike and Jennifer – It looks like the next ARSG meeting on April 19th will work well to have senior staff come down and talk to the community in the evening at 6:30. We will try to reserve Town Hall for the meeting.
